

DOGMASTERY INC PRESENTS

Khaleesi

“Mari”

vom Mutigen Zwinger

Overall Disposition

Khaleesi, "Mari", is an ideal candidate for someone looking for a high level working female. A puppy who has been introduced to cats, rabbits and livestock with very good type and balanced drives in all categories. Her ideal household has no other female dogs present as she already shows large displays of dominance. Mari will excel in all dog sports as her enjoyment for engagement with her handler is unmatched. A very expressive puppy that is comfortable on all surfaces and hasn't met an obstacle she couldn't conquer. She sleeps through the night and rides comfortably in the crate. Mari's a fan favorite on 4th Street in Berkeley and is very well mannered in retail outlets. Like her sister Katia, she enjoys a kiss, cuddle or two but only after being mentally and physically stimulated.

Health & Genetics

Mari is AKC registered, up to date on all of her shots and left the vet with a clean bill of health! Her parents are Clea z Kokesova Dvora IGP 1 (HD-Excellent, ED-0) and no long hair gene while SG Buddy vom Patalia SG Buddy vom Patiala is also - IGPI, Breed Surveyed, (HD-Normal, ED-Normal) and no long hair gene.

Puppy Management

Mari is currently immersed in our Puppy Management/Sport Program, where upon completion she will transition into her forever home. This course covers the introduction to housebreaking, proper social engagement in high traffic retail areas, appropriate pet etiquette in and around the home with an introduction to the following formal obedience exercises; sit/stay, down/stay, heel, stand, walk and come. Mari has been introduced to article indication, scent pads, "take-it", hold and the "around" commands utilized for exercises pertaining to the sport. Mari currently has traveled via plane in the cabin and been a passenger on A/C Transit and BART. She is comfortable on all surfaces and currently stays engaged via the ball or tug while on escalators and in elevators. Mari will also understand the informal commands leave-it, off, "place/your bed" and wait.
